

T.D. Jakes At-A-Glance

About The Potter's House.

Founded in 1996, The Potter's House is non-denominational, multicultural church led by Senior Pastor, Bishop T.D. Jakes. With more than 30,000 members on its rolls, The Potter's House is consistently ranked among the largest and most influential churches in the U.S.

The Potter's House operates as a non-profit organization with its principal campus in southern Dallas. Accelerated growth and shifting demographics have necessitated expansion to additional sites in North Dallas (Frisco, Texas,) Fort Worth, Texas and Denver.

Deeply rooted in the local and global communities, The Potter's House's charter is to extend a *"hand of help to the needy, a heart of compassion to the hurting, and a message of empowerment to the disenfranchised."*

T.D. Jakes' mission carried out through four distinct channels: *global humanitarian outreach, inspirational conference series, media and entertainment ventures and thought leadership forums.*

Global Humanitarian & Outreach Initiatives.

- **Metroplex Economic Development Corporation (MEDC)** – a 501 (c) (3) business development corporation that aids families and individuals in underserved communities. The MEDC provides practical programs from home ownership, to credit development, financial literacy, and entrepreneurial development initiatives.
- **Texas Offenders Re-Entry Initiative (T.O.R.I.)** – Operating within five primary geographical re-entry points within the state of Texas (Dallas, Fort Worth, Houston, San Antonio and Austin,) T.O.R.I. serves as an "after-care" program for former offenders transitioning back into society. Celebrating its 10th anniversary in 2015, the program provides case management, family and marital counseling, and pre-employment assistance. More than 10,000 graduates have matriculated since T.O.R.I.'s founding. T.O.R.I. received an EMMY award for a TV documentary recounting client success stories.
- **MegaCARE** – is the humanitarian outreach arm of The Potter's House and closely reflects the heart of T.D. Jakes. The ministry touches hurting people with practical help no matter where they are in the world: North, Central or South America, Africa, Asia, the Middle East, Europe or the Caribbean. MegaCARE has boots on the ground providing supplies, filtering systems, medical supplies and food after major disasters such as the recent West Virginia water contamination catastrophe, Haitian earthquake, and Hurricane Katrina, *etc.* The group is also attuned to global issues such as AIDS awareness, sex trafficking, clean water systems, microeconomic development, healthcare and green initiatives. For example, in Kenya, MegaCARE built the T.D. Jakes Wing at Melchizedek Hospital, provided medical care and recently averted tribal warfare by repairing life-saving well systems drilled by the ministry. MegaCARE also provides ongoing medical screenings for Dallas area residents, aid to the homeless, plus other acts of practical kindness through more than 120 auxiliaries.

Inspirational Conference Series.

- **MegaFEST** – one of the most widely recognized events in T.D. Jakes arsenal, the multi-day, family-friendly, *edutainment* forum has broken attendance records around the globe. Traditionally held in Atlanta, this festival has ventured to South Africa with outreach missions, excursions, entrepreneurial exchanges and special HIV/AIDS awareness programs in 2008. - **Woman Thou Art Loosed @ MegaFEST**– the “*Woman Thou Art Loosed*” franchise began as a woman’s bible study in a storefront West Virginia church in 1992 and has since burgeoned into a book, stage play, CD, popular conference and film franchise. Each year, women from near and afar gather to hear an encouraging word of hope. Real talk sessions, powerful preaching, inspirational teaching, worship and health screenings are familiar staples at this women’s empowerment conference.
- **ManPower @ MegaFEST** – integrates the public, private and spiritual lives of men and encourages transparency among brothers. With its infusion of topical messages by inspired leaders, on-fire worship and times of personal reflection, men leave this mentoring environment refocused, reenergized and reengaged across all areas of their lives.
- **International Pastors & Leadership** – proving the adage that ‘leadership is not *just* for pastors anymore,’ the forum brings top-down leadership principles for the entire church staff.
